

## Harrington Prize for Innovation in Medicine 2020 Nomination Guidelines

**Deadline for Nominations: August 27, 2019 at 11:59 PM EDT**

### Full Nomination Overview

Below is the list of sections you will be asked to fill out in your online nomination. To access and submit your online nomination, please log in to [HarringtonDiscovery.SmartSimple.com](http://HarringtonDiscovery.SmartSimple.com).

**1. Nominee Information**

**2. Nominator Information**

Within the nomination form, please include a 250 - 500 word description of the achievement notable for innovation, creativity and clinical application.

**3. Investigator's Biographical Sketch in NIH format**

Please follow the NIH format, but also include pending support, applications submitted or pending funding, in Section D. If there is no pending support, state "Pending Support: None". Please keep the biographical sketch to a 5-page maximum, uploaded in PDF format.

**4. Publications**

Please list all authors. List the most relevant publication to this application, first.

**5. Brief Bibliography**

List a maximum of up to ten best references

**6. Letter from the Nominee for the ASCI/AAP Joint Meeting**

The nominee must write a letter, confirming availability to lecture at the AAP-ASCI-APSA Joint Meeting on April 3 – 5, 2020.

**7. Letter from the Nominee for the Annual HDI Scientific Symposium**

The nominee must write a letter, confirming availability to attend and speak at the annual Harrington Discovery Institute Scientific Symposium on May 20 – 21, 2019.

**8. Letter of Support**

Provide one letter from the dean, provost or president of the investigator's institution

### Please Note

- Word and page counts *must be strictly adhered to*.
- Incomplete nominations will not be presented to the nomination committee.
